Sir,

Sub Levy of enhanced rates of Market Fee during Jathra Naikanahatty Municipality

=====

I write to state that Naikanahatty is a minor municipality with poor finances Though the income derived by it is sufficient to meet its normal expenditure, it is found very diffuclt to provide any facilities to the towns-people unless the finances of this Municipality are improved

The Council at its meeting held on 6 11 1950 has resolved that the Market Fee levied by the Municipality during Sri Thippe Rudraswamy Jathra might be increased Accordingly, the views of the Council were published inviting objections to the enhancement of the fee The President, Naikanahatty Municipality, in his letter dated 20 12 1950 has reported that no objections were received and therefore recommends for obtaining the sanction of Government to the resolution of the Municipal Council dated 9 12 1950

It is seen from the Schedule of Rates fixed by the Municipal Council, that these rates exceed the maximum prescribed under rules In view of the financial stringency of this Municipality and as the levy pertains to the particular period during which the Jathra is conducted, I feel that the levy of fee fixed by the Municipal Council is reasonable as it is the only source of income to this Municipality wherein it could expect a fairly good income annually

I, therefore, request that sanction of Government to the Resolution of the Naikanahatty Municipal Council in the matter of enhancing the Market Fee as noted below may kindly be obtained
